Tuition Assistance

If you desire a Christian education for your child, but you can't afford the entire tuition, there may be options available to help you.

1. Many Christian Reformed Churches contribute toward the cost of education of the students from their church. Other churches may offer tuition aid. Investigate the possibilities of tuition aid from your church.
2. SCHS has a Tuition Assistance program that you can apply to. Request an application form from the office or go online at www.factstuitionaid.com. You will be required to provide financial information as well as a copy of your most recent income tax return.
3. Participate in our SCRIP program. When you purchase gift certificates for items such as fuel, restaurants, and groceries, merchants offer a percentage of your total purchase price. That rebate will be applied to your tuition account. Pick up a SCRIP packet from the South Christian High School office.
