DUAL ENROLLMENT POLICY

The intent of this policy is to allow South Christian students to fit a college course into their school day. Contact the counseling office for complete dual enrollment details.

Requirements

1. Dual Enrollment provides opportunities for eligible students to enroll in postsecondary institutions and take college courses. The student begins this process by meeting with his or her counselor, completing the Student/Parent Agreement Form, and receiving approval from his/her school counselor.
2. Students who dually enroll must be full-time enrolled students and must take at least five classes, which may include the dual enrolled class.
3. The final grade and credit will not appear on the South Christian transcript.
4. A student may take a dual enrollment course only if an equivalent course is not offered at SCHS or it is a course students have already taken, or the class does not work in a student's SCHS schedule.

SUMMER COLLEGE COURSES

Students who choose to take a college class during the summer months must schedule their college course so that it does not interfere with their South Christian schedule in any way. Any absences incurred due to the college course will count toward a senior student's absence total and may cause him/her to have to take exams for SC courses.

EARLY GRADUATION

Background

South Christian is a four-year school community where the students develop spiritually, physically, emotionally, socially, and academically. Every attempt has been made to provide a solid core of educational experiences as well as to provide freedom to explore a wide range of elective experiences. Each area, whether core or elective, is designed to show a world-and-life view upon which our school was established.

Because the high school experience is more than completing a required number of courses, we believe that an early graduation decision by a student must be considered very carefully. Students who believe this is the best for them should be aware of both requirements and restrictions.

Guidelines

1. Planning for early graduation must begin with the student's counselor before the end of the junior year. The counselor will help the student file the appropriate paperwork and follow the procedure outlined.
2. Credit will be given for outside courses based on the Transfer of Outside Credits policy.
3. Dual enrollment courses will not be counted toward high school completion.
4. A student must be enrolled and attending classes full-time during the current semester to participate in any school-sponsored activities. These include but are not limited to the following:

- Sports
- Student Council
- Drama/Musical
- Junior/Senior Event (except as a guest)
- Honors events (academic and athletics)

An exception may be granted by the Administrator/Counselor Committee for the student to participate in graduation providing he/she also attends the graduation rehearsal.

GRADUATION CEREMONY

If, at the beginning of the last semester of the senior year, a student is not scheduled for enough credits to graduate, the student may not participate in the graduation ceremony. If a student fails to satisfy the graduation requirements by no more than one credit, the student may participate in the graduation ceremony with approval of the Administrator/Counselor committee. A diploma will be issued when all credit requirements have been completed.

KENT CAREER TECHNICAL CENTER (KCTC)

Juniors and seniors may attend KCTC for one or two years, missing two or three class periods per semester at South Christian. They will be made aware of KCTC opportunities when the registrar and counselors meet with them in January and February to choose classes for the following year. Students must visit KCTC before applying. Visits will be scheduled by the Counseling Office. Interested students must meet with their counselor to complete applications and plan their SCHS schedules.

INTERNSHIP

The intent of this program is to allow an opportunity for upperclassmen students to participate in an internship with community business owners. Student interns would be released from school to attend the internship for two or three hours of the school day, with the option for the employer to hire the student for pay outside of school hours. Students who complete the terms of the internship will receive 1.0-1.5 elective credits per semester, depending on how many hours they were at the internship; no grade will be recorded on the transcript, and this will not affect the GPA in any way.

Students who are interested in pursuing an internship should begin the process with their counselor at least a semester before the internship would begin. The application process involves completing some paperwork, getting recommendations from South Christian teachers, and interviewing with the counselor, the internship program coordinator, and the employer.

OTHER POTENTIAL OPPORTUNITIES

If a student desires a particular educational experience that South Christian has not previously accommodated, the student, in conjunction with his/her counselor, will write a proposal. The proposal will be submitted to the School Leadership Committee for approval and to the Education Committee (for affirmation/veto).

DEPARTMENT AWARDS

These are awards given at the Honors Convocation by each department to seniors whose work has been exemplary. Criteria for these awards are available to students from department chairpersons.

HOME SCHOOLED STUDENTS

Particular procedures, including placement and credits earned, are to be followed for any home schooled students who return to or enter South Christian. A complete policy can be obtained from the office.

INTERNATIONAL STUDENTS

The South Christian community benefits by admitting students from other countries. Some guidelines have been set by the board to help ensure a successful experience for the student and the school. A complete policy can be obtained from the school office.

INCOMPLETES

If, because of illness, a student does not complete the requirements of a course by the end of the current marking period, an "incomplete" will be given. The student has two weeks from the end of the course to make up an incomplete and must take the initiative to contact the teacher. If the work is not made up in the allotted time, the incomplete will become an "E".

RETAKING A COURSE

If a student receives a grade of "C-" or lower but passes the class, he/she will be allowed to retake the course; however, the course must be retaken within one year. The original grade for the course will remain on the transcript; however, no credit will be given for the original course, and the low grade will not be calculated into the student's cumulative GPA.

If a student begins a foreign language in the 9th grade, quits after one semester, and then retakes the first-year course in a different school year, the grade and the credits for both courses will be counted in the cumulative credits and GPA. Appeals to this policy may be made to the counselors or registrar when there have been unusual circumstances.

SNOW DAY POLICY

This policy is to recognize that technology allows snow days to be used for learning. This policy will recognize that and serve to stabilize the calendar, allowing for more predictability.

1. On any given snow day any teacher may assign work if it makes sense, if it enriches, or if it advances the course. A relevant plan that fits the flow of the course is desired. It is possible that each teacher would have a few snow day enrichment lessons ready. Snow days can also be seen as an opportunity to do something outside the normal scope of the course which will enhance and enrich the course. For example, a PE teacher might decide to have students read an article about the sport currently being learned or give a workout routine for students to do at home.
2. AP teachers are expected to advance their course content on all snow days.
3. All work should be communicated by email, Google Classroom or other class communication by 10:00 AM. Students and parents will be reminded of this by email each snow day.
4. Work should not require the use of a textbook unless the teacher provides an electronic copy of the reading. This is not a violation of copyright if it is the student textbook.
5. All athletic practices will be decided on by noon. Games will be allowed by each level if determined it is safe and will be communicated as soon as possible.

Work that is not done will be treated as incomplete work (i.e. homework not done or work missed because of absence).

SCHEDULING, SCHEDULE CHANGES, DROPPING COURSES

All students must take a minimum of 2.5 credits; students attending KCTC may have only one study hall per semester at SCHS. Classes are planned and teachers' schedules developed on the basis of classes selected by the students during spring registration. Students should make any

necessary changes by May 31. After that, changes are possible only if there is room available in scheduled classes.

Courses may be dropped:

- A course may be dropped and replaced with a different course in the first two weeks of a semester only.
- A course may be dropped with no penalty and replaced with a study hall in the first 9 weeks of each semester
- A course dropped after week 9 of the semester will receive an E on the transcript.

Students dropping courses need to have written permission of parents and the teacher involved; drop slips are available from the registrar's office.

TEXTBOOK RENTAL

All basic texts are loaned to students for their use during the school year. The student must buy necessary workbooks and supplies. Textbooks are to be kept clean and handled carefully. The student's name should be written on the book label. The student is required to pay for lost or damaged books before taking final exams.

ACADEMIC AWARDS

Academic Honors

Highest honors - will be given to students with a cumulative GPA of 4.00 and above, as determined after the 7th semester at South Christian.

Honors - will be given to students with a cumulative GPA of 3.80 - 3.999, as determined after the 7th semester at South Christian.

Students will be recognized at the Honors Convocation (see "School Events") in the spring and with a special designation on the graduation program.

REPORT CARDS

Report cards are emailed to parents at the end of each semester. In addition to current grades, report cards indicate GPA, total credits earned, and attendance.

TRANSCRIPTS

Courses that have been modified will be noted with an "M" on the transcript. Courses that have been modified due to illness will be noted with an "IM" on the transcript.

EXAMS

The rescheduling of any exam due to an absence must happen through the Assistant Principal. Typically, exams are rescheduled only in the event of illness.

Snow Day Procedure during Exams

In the event of a snow day during exams, information regarding rescheduling will be communicated via email.

EXAM EXEMPTIONS

Students may take up to 6 exams during the 3 designated exam days. Students who have 3 exams scheduled for one day may request an exemption from the Registrar's office.

Information regarding exemption requests will be published in the weekly announcements near the end of the semesters. A committee of teachers and the Registrar decides which exam will be exempted based on a variety of factors. Students are notified of their exemption within the last few days of the semester.

- If receiving an exemption brings the student's total exams taken to 5 or 6, the exempted exam does not need to be taken at all.
- If receiving an exemption leaves a student with fewer than 5 exams to take, the exempted exam will be rescheduled for a different day.

SENIOR EXAM EXEMPTION

To qualify for exemption from second semester exams, a senior must receive a final grade for the semester that is an A or A-, or equal to or higher than their cumulative GPA, must not exceed 3 absences after Spring Break during second semester, and have fewer than 2 discipline points.

TESTING FOR STUDENTS

Registration information is available in the Counseling Office for the following:

- The PSAT/NMSQT (Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test) is given at SCHS in October to interested juniors who are college bound. The PSAT 9 and PSAT 10 are given to freshmen and sophomores at SCHS in April. The SAT is given to juniors in April.
- The ACT and SAT are standardized tests that measure college readiness and predict future academic success. Standardized test scores are one of the criteria used by colleges to judge a student's entrance qualifications and scholarship potential. The tests are offered multiple times a year at test centers in the Grand Rapids area. Both tests may be retaken multiple times.

EXIT POLICY

When a student transfers to another school, certain arrangements regarding tuition must be met before academic records can be forwarded. An admissions withdrawal form from the office must be completed and signed. A copy of the Exit Policy can be obtained from the office.

FINANCIAL INFORMATION

BOOK RENTAL POLICY

All basic textbooks are rented to students for use during the year. This fee is included in tuition. Students are responsible for the books and will be required to pay for lost or damaged books. Workbooks, some paperback books, and other supplies are purchased by the students.

TUITION

To meet its commitment to its staff and financial responsibility, the SCHS Board stipulates a portion of tuition is non-refundable. Parents must choose an approved payment plan, which will be withdrawn from their checking or savings account. The business manager or a member of the Finance Committee must be contacted if there is trouble meeting tuition obligations.

SOUTH CHRISTIAN TUITION GRANT

SCHS receives and utilizes funds from various sources. These include, but are not limited to, South Christian Foundation, New Life Thrift Store, Sports Boosters, Fine Arts Boosters and the like.

Because of these programs and their generous support, the amount of tuition required to be paid is less than the actual cost of education. Each year families will have the opportunity to decide whether to accept the South Christian Tuition Grant and pay the required tuition, or to pay the full cost of education. Parents who elect to pay the full cost of education receive a donation receipt for the difference between the actual cost of education and the required tuition amount.

SCRIP

SCRIP is a form of tuition assistance. Through this program a percentage of money spent at participating community merchants is rebated to SCHS for your tuition credit. Check with the finance office for information and an enrollment form.

STUDENT SERVICES

COUNSELING

Students can contact the counselors and/or social worker at any time. The counselors and/or social worker will meet with individuals or groups of students to help with school or personal problems, course selections, and career and post-high school training choices. In addition, the counselors can assist with college applications, scholarships, financial aid, and testing. The registrar helps students with course selection, schedule planning, and changing classes.

STUDENT GUEST PASSES

Prior to the Visit: SCHS students must request a guest pass from the office at least two days before the anticipated visit. Parental permission is required before a guest pass will be given. Students are responsible to inform their guests about the school dress code.

Day of the Visit: The SCHS student and guest must report to the office together to sign in. At the beginning of each hour, the SCHS student should introduce the guest to each teacher.

STUDENT SUPPORT

Our Educational Support Services (ESS) staff assist students with diagnosed educational needs.

WEEKLY ANNOUNCEMENTS

Announcements should be in the office no later than 9:00 a.m. on Tuesday mornings. Announcements will be emailed to students, parents and teachers and posted on the website www.schs.org each Tuesday.

ELIGIBILITY

Athletic Eligibility

Eligibility for athletics is detailed in the “Eligibility and Training Rules for Student-Athletes at South Christian” document which can be obtained from the athletic office or at www.southchristiansports.com/key-links.

Non-Athletic Extracurricular Eligibility

Academic Eligibility

- All ninth-grade students begin academically eligible to participate in extracurriculars.
- Previous Academic Record:
Students wishing to participate must pass the equivalent of at least five semester courses to continue to be academically eligible into the next semester. Students failing to meet this minimum are ineligible for extracurricular participation for 60 scheduled school days. Students become eligible again on the 61st scheduled school day of the next semester, provided they are now passing at least five courses.
- Current Academic Record:
Academic eligibility checks will happen at the end of every 9-week term. For each 9-week term, a student must be passing at least five classes and maintaining at least a 1.5 GPA. Students failing to meet this minimum are ineligible for the following 9-week term.
- The student may not perform with the extracurricular group during his/her ineligibility period. He/she may rehearse or practice the last two weeks of the ineligibility period in preparation for his/her return.
- The grades ending one school year apply to the first corresponding term the next fall.
- Individual cases can be appealed to the Eligibility Appeal Committee.

Disciplinary Ineligibility

- This policy will apply during the school calendar year for all extracurricular participants.
- This policy is in addition to any other consequences as listed in the student handbook.
Consequences given as a result of violating policy will begin immediately.
- Discipline points:
 - 6 Discipline Points
 - The student will meet with the Assistant Principal who will outline the consequences for him/her when they reach 11 points.
 - 11 Discipline Points

- The student will be suspended from performances for a period of time determined by school administration. This amount of time is based on a variety of factors including the type of extracurricular and the type of performance, but will be fair, equitable, and relative to the athletic policy of student athletes being suspended for a minimum of $\frac{1}{3}$ of their season.
- Illegal Substances - For any use of tobacco, drugs, alcohol, or other banned substances, the following consequences apply:
 - First Offense:
 - Student will be suspended for a portion of their practices and/or performances of the current season, next season, or a combination of the two.
 - Student will complete a substance abuse assessment by a certified counselor. (Parents are responsible for the financial cost of the assessment and any counseling.)
 - Student will complete any recommended counseling.
 - Second Offense:
 - Student will be suspended for a larger portion of their practices and/or performances of the current season, next season, or a combination of the two.
 - Students will have regular appointments with an outside counselor.
 - Third Offense:
 - Students will be suspended from all extracurricular activities for a full school year with readmission only after an interview by the Education Committee of the School Board.

School Attendance

A student may not participate in practice or a performance if he/she is absent because of illness from the afternoon classes on that date.

JUNIOR SENIOR PROM

1. Guests of an opposite gender from other schools may be invited. The number may be limited.
2. Students who attend the event must attend classes on that day.
3. Dress must follow the specific prom dress code.

STUDENT COUNCIL

The Student Council has a highly active role. Its purpose is not to govern the students, but to serve as a coordination and discussion group between the student body and the administration where the students can assume as much of the responsibility of organizing their high school activities as they are able to handle. It is the place where problems, ideas, or questions arising from either the students or the administration can be presented for discussion and consideration. Members of the council are the students' representatives and have direct access to the administration.

PERFORMANCE CONFLICT POLICY

- Avoidable Conflicts of Performance Dates
 - Directors of programs with possible conflicts (athletics, band, choir, debate, fine arts, robotics) will meet in March to schedule performance dates for the following school year.
 - When two major events that affect large segments of the school community have the same possible performance date, the administration shall determine

whether one or both of the events should take place.

- Unavoidable Performance Date Conflicts
 - If a student attempts two extracurricular activities (not including band or choir) during the same season, he or she must declare a primary activity.
 - As soon as a conflict becomes known, coaches and directors should first try to agree to a solution amongst themselves. Cooperation through communication between sponsors is strongly encouraged. Coaches and directors may not discuss the conflict with students (except to become aware of the conflict) or attempt to influence them in any way.
 - A coach or director may not penalize an individual in any way for not participating in a performance or practice because of compliance with this policy.
 - If both sponsors cannot resolve the conflict, the principal will meet with them in order to resolve it.
 - The significance of the performance to the program as identified in the two charts below will serve as a guide, not rule, for decision making.
 - The performance value of each student to the respective programs may also be considered in this decision.

ATTENDANCE

Our policy encourages punctuality and regular attendance by all students. We believe this is important for these reasons:

1. We are responsible to God for using both our time and talent wisely.
2. No student can achieve his/her full potential by receiving the benefit of only part of an assignment or discussion.
3. Good work habits and attendance habits, cultivated in school, will help students be prepared for higher education and lifetime work.

ATTENDANCE PROCEDURES FOR STUDENTS AND PARENTS

1. Students who **arrive after first hour has begun** must, under all circumstances, **sign in** at the office. Failure to sign in will result in a zero hour.
2. Parental contact must be made **before** a student will be permitted to leave. Students leaving school with parental permission must, under all circumstances, **sign out** in the office. Failure to sign out will result in a zero hour.
3. Attendance is the student's responsibility. If parental contact has not been made by 8:00 a.m. on the day following the student's return, the student may be assigned a zero hour.
4. Parental contact – either by phone or with a note – must be made to account for all student absences. The SCHS attendance line is accessible 24-hours a day (616-455-3210). Forged notes and deceptive phone calls will result in disciplinary consequences.
5. If a student is absent for an extended period of time, it is recommended that parents request homework by emailing the teachers directly or contacting the school office.

EXCESSIVE ABSENCES

1. Because the school believes participation in a class is part of achieving credit, any student who exceeds **twelve** absences of any kind in one semester class will be withdrawn from the class and will receive no credit for that class. This includes KC/TC students.
2. A long-term illness exception may be granted by a written appeal that includes a doctor's signed statement that the student may not be in school.
3. School-sponsored absences (i.e. field trips, etc.) are not considered absences.

TARDINESS

1. A student will be marked tardy for the following reasons: arriving late to class, coming to class without the required materials, or leaving class or school because of forgotten items. Students may receive tardies for restroom requests.
2. A student will receive three tardies per nine weeks without penalty. For every tardy beyond three, the student will be assigned a Breakfast Club. Tardies at KC/TC apply to this policy.
3. If a student arrives after 8:15 a.m., the student is considered absent.
4. Whenever students are tardy first hour due to circumstances beyond their control, a written parental explanation or phone call must be received by 8:00 **the next morning** if the tardy is to be excused.
5. Arriving more than 15 minutes after any class has begun will be considered an absence, not a tardy.
6. If a student leaves class early, missing more than 15 minutes of the class will be considered an absence.

KINDS OF ABSENCES

1. **Unavoidable Absences:**
Unavoidable absences include personal illness, serious illness or death in your family, and medical or dental appointments which cannot be scheduled before or after school. The student's absence will be excused when parental contact is made. If the absence is more than one day, parents are requested to contact the office each day.

2. **Planned Absences:**

Occasionally parents may decide that certain experiences or family needs may warrant a student's absence from classes. We strongly discourage parents from taking their students out of class. However, should parents decide to take their children out of school, the following procedures are to be followed:

a. **Parent-Requested Absences (PRA)**

- 1) Requests must be made to the office using the PRA form at least two days before the absence. The PRA will then be authorized by an administrator. Forms are available in the office.
- 2) Students must be accompanied by their parent(s) or parent-appointed adult guardian (over 21).
- 3) The PRA should be used when the parents expect a student to be absent for more than one day.
- 4) These days should not be planned during the last five days of each semester or during exams. Teachers will not spend time in or out of class helping students learn missed concepts for a PRA taken during these times.
- 5) When arranging for a PRA, keep in mind the excessive absence policy: When a student misses more than 12 times in a semester, the student will lose credit for the course.
- 6) The school reserves the right to withhold permission for an excused absence based on the student's prior attendance record.

b. **College Visits/Job Shadows**

- 1) Requests for all college visits and job shadows must be made at least two days before the visit and must be approved by one of the school counselors. Forms are available in the Counseling Office. Parental permission is required on the form.
- 2) Students must notify teachers of the anticipated missed classes for a college visit.
- 3) These days are counted as absences on the attendance record.
- 4) Under normal circumstances, these days should not be planned for the last ten days of each semester.

3. **Skips/Class**

- a. The penalty for a skip or a class suspension will be a minimum of 2 Breakfast Clubs for each class hour missed plus a minimum of two points will be added to the student's discipline record for each class hour missed.
- b. No missed work, including tests or quizzes, may be made up.
- c. The teachers will not spend time in or out of class helping the student learn missed concepts.

4. **Making up work for Planned Absences**

- a. Prior to their leaving, students will make arrangements with **other students** to collect homework assignments and to take notes in their absence.
- b. Students may request work from teachers. However, it is possible that for practical reasons, the teachers may not have work ready to distribute. The teacher may change lesson plans based on what is happening in the classroom during the time the student is gone. The reality is that, in many classes, work will have to be made up on the student's return.
- c. On their return, students are encouraged to seek help from other students to learn concepts and material taught in their absence.
- d. On their return, the **student shall initiate contact** with the teacher. An appointment will be set at a time convenient for the teacher for the purpose of setting up a time frame for turning in homework and projects and taking missed quizzes/tests. Students who fail to initiate contact with a teacher within a reasonable time will not be allowed to submit missing work.
- e. All homework, projects and tests must be completed in a timely manner. The time frame will be determined by the teacher at the scheduled appointment.
- f. Quizzes and tests may be made up on Tuesdays, Wednesdays and Fridays from 7:00 a.m. - 7:45 a.m. in Room 123 or during a study hall. Teachers may have the option of giving an alternate version of a missed test or quiz.

- g. Teachers may have the option of not grading the missed daily homework with a letter grade. They may drop the assignments from the student's final grade.

FOOD SERVICE

South Christian offers an innovative Food Service program, allowing students to purchase items ala carte throughout the school morning. Options include made-from-scratch entrees, wraps, and salads along with beverages, candy, chips, and a variety of snacks. South Christian's campus was designed to grow community fellowship. Instead of having a designated cafeteria, students are encouraged to gather both inside and outside the building during break and lunch periods. We have numerous serving locations throughout the campus. HeBrews Cafe opens at 7:15 a.m. in our concession area with a variety of hot and cold drinks, breakfast sandwiches, donuts, parfaits, smoothies, and snacks available until the end of break time each day. It reopens at lunch with specific offerings designated on the menu. A second break location opens up each day by the Media Center. During the lunch period, a variety of entrees, beverages, and snacks are offered in the Kitchen Serving Area and the Cafe. Specific entree locations can be found in the weekly announcements, monthly calendar and daily on the screens around campus.

Both the Bookstore and Food Service operate on a cashless system. Funds may be added to a student's mymealtime.com account anytime online or by cash or check brought to the office during office hours. The MealTime account gives parents a snapshot of exactly what is being purchased and is an excellent program that equips the student and parent to have an open discussion about food choices and budgeting. Each August an informational email is sent which includes detailed instructions about the program along with the pin number which is necessary to make purchases. Documents such as our menu and allergen information may be found on the school website. The menu and any necessary details or specials can be found monthly in our school publication, *The South Scenes*, our Tuesday Weekly Announcements, the screens throughout the campus and daily on Instagram. Questions may be directed to Food Service at foodservice@schs.org.

CODE OF CONDUCT

Since the school bears the name of Jesus Christ, a high standard of conduct is expected of staff and students alike. Our public conduct should be consistent with our basic concept of life, and since we profess to love God above all and our neighbor as ourselves, we should reflect that love in all of our actions as well as in our attitudes toward each other and our work. Christian students in a Christian school should behave as Christians, following the Biblical principles we all accept as guidelines—"If we live by the Spirit, let us also walk by the Spirit."

The rules and regulations of South Christian High are in effect throughout the school day on or near the school property, at the Kent Career Technical Center, and at all school-sponsored events. Students who violate school rules will receive a consequence for their behavior.

1. **Breakfast Club**

Breakfast Club is a study hall held in Room 123 from 7:10 a.m. to 7:40 a.m. on Tuesdays, Wednesdays, and Fridays. Students serving a Breakfast Club will be assigned one discipline point.

2. **Work Hour**

Work hours are service hours to the custodian. Unless otherwise indicated, students serving hours of work will be assigned 2 discipline point per hour of work.

3. **Zero Hour**

Zero Hour is a study hall held on Tuesdays, Wednesdays and Fridays in Room 123 from 7:10 a.m. - 7:40 a.m. Students serving a zero hour will not be assigned a discipline point.

DISCIPLINE PROCEDURE

Students who receive a Breakfast Club or hours of work must attend every Breakfast Club or work every hour until the time assigned is completed. If for some reason they cannot appear at the assigned time, they must explain this to the Assistant Principal on that day before first-hour class. If this does not happen, an additional Breakfast Club or hour of work may be assigned.

CLASSROOM BEHAVIOR

If a student is disruptive in class and is asked by a teacher to stay after class or after school for a disciplinary discussion and does not report, the student may be assigned a Breakfast Club.

A teacher may remove students from class if their conduct is such that it interferes with the educational process. Such suspension is considered an unexcused absence. (Zeros for missed work and a minimum of one hour of work and two discipline points will be assigned for each hour out of class). Parental contact must be made. When students are dismissed from a class, they must report to the office. Repeated dismissal will result in permanent removal from the class with a failing grade as well.

STUDY HALLS

Study Halls will be held in the Anchor Entrance Commons and supervised by a Study Hall monitor.

Study Hall Rules:

In order to establish a positive classroom environment that is conducive to studying, learning, and success for all, there are a few rules that must be followed. The ability to take a study hall is

a privilege. Any student who does not follow these rules is subject to school discipline, including the potential of being allowed to take study hall in the future.

- ALL STUDENTS MUST check in with their study hall teacher for attendance at the start of class.
- Students may sit in the designated study hall area in the anchor commons, where desired, and that will become their assigned seat. The teacher reserves the right to adjust seating based on behavior. To be clear, the only place study hall students may sit is the first floor anchor commons.
- Students must ask permission to use the bathroom, go to their lockers, the printer, or anywhere else in the building. The locker rooms and gyms are off limits during study hall. A sign out sheet will be completed by the student.
- Study Hall is a time for students to work on homework, prepare for tests/quizzes, catch up on missed assignments, and even read/journal/sketch. Come prepared with something to do.
- QUIET talking regarding schoolwork is allowed in study hall. Remember to be respectful of others around you.
- Cell phones must be turned in to the study hall supervisor from bell to bell.

*Violations of STUDY HALL RULES may result in a warning first and then a discipline referral.

KCTC STUDENTS

Students returning from KCTC may not leave school grounds and may not loiter in the parking lot. If time remains before class begins, KCTC students may study or wait in the common space. They may not wander the halls.

BEVERAGES AND FOOD

No beverages in glass containers may be brought into school. No snacks with shells, such as sunflower seeds or peanuts, may be brought into the school. All beverages and food are prohibited in the auditorium and the gyms. Violators will receive a minimum of a Breakfast Club.

BUSES

When students are transported by bus, they are expected to behave courteously, keep all parts of the body inside the bus, use the trash can, use the proper exit, and be respectful of others.

DRESS CODE

As an institution of Christian learning, our goal is to establish an environment that promotes learning and Christian community. Following the dress code creates an environment that honors Christ and promotes learning. In general, a student's clothing, jewelry, and hairstyle must be modest and not draw undue attention to him or herself.

The dress code will be strictly enforced during school hours, but the administration has the right to determine appropriateness of attire at all school functions.

PERSONAL HARASSMENT

Harassment is defined as any behavior or patterns of behavior from one student against another student which limits that student's ability to function in school or which creates a hostile or abusive environment in school. This behavior includes, but is not limited to, any physical, written, verbal, or electronic harassment against another student based on personal characteristics, gender, sexual orientation, race, or disability. Harassment of any kind violates fundamental Christian principles and is prohibited.

Any student who believes he or she has experienced intimidating or harassing behavior is encouraged to

- tell the harasser that the behavior is unwanted and must stop, and
- report the incident to an administrator, counselor, or teacher.

Any student who witnesses harassment is encouraged to

- directly inform the harasser that the behavior is unwanted and must stop, and
- report the harassment to an administrator, counselor, or teacher.

Precautions will be taken to protect the identity of any student who reports incidents of harassment.

Administrators will take all reported incidents of harassment seriously and will act to investigate all complaints in a timely manner. "I was just joking," or, "It was all in fun" will not be accepted as legitimate explanations by a student for harassing another student. Any student who is determined to have violated this policy will be subject to discipline which may include suspension or expulsion. If any harassment is criminal in nature, such as assault, the local police will be notified immediately.

STUDENT DRIVING

Driving a car may be a necessity for many students, but students are expected to be cautious and careful. Careless driving (squealing tires, throwing up gravel, speeding, endangering lives and property) will result in a minimum of two discipline points, a \$25 fine and notification of parents for the first violation. There will be a minimum \$50 fine and possible loss of driving privileges for the second violation. Reports from neighbors about irresponsible student driving on surrounding streets will result in the same consequences as careless driving. The school is not responsible for accidents or damages to cars that occur on school property.

Student vehicles displaying inappropriate bumper stickers or inappropriate flags will be asked to remove them.

Generally, students will not be expected to provide their own transportation for field trips or athletic events. On rare occasions, a student may be asked to drive to an event. This will be done with parent permission.

PARKING AND PARKING PERMITS

Students driving cars to school must obtain a parking sticker from the main office and display it on the lower left corner of the driver's side windshield. Students who do not display permits on their vehicles may receive a Breakfast Club. Students' cars must be properly parked between the yellow lines and locked during the school day. Students must park in the student parking lot. Underclassmen may not park in painted senior parking spots. Improperly parked cars may be fined a minimum of \$10.

PARKING LOTS

Cars and parking lots are off limits to all students. A Breakfast Club and 1 point will be assigned to students found in the parking lot without permission during break or noon. There is to be no loitering in the parking lots before or after school or during noon hour. Violation of this loitering rule before or after school will result in a Breakfast Club.

CHAPELS AND ASSEMBLIES

Chapel is a time set apart on Tuesday and Friday for faculty and students to worship together. Students should sit in the sections and seats assigned to them. Students' behavior in chapel should be reverent. Assemblies are held occasionally. Students are expected to sit in their assigned seats and behave courteously toward those leading worship or providing the assembly. A minimum of one Breakfast Club will be assigned for inappropriate behavior.

CHEATING

Cheating is the dishonest use of another person's work by presenting that work as one's own. This includes tests, quizzes, assignments, or daily work. "Copying" and "pasting" for assignments is cheating. The possession of "cheat sheets," whether actually used or not, is interpreted as cheating and the penalty remains the same. If cheating involves an agreement between a "giver" and a "receiver," both will be treated equally with respect to discipline points. The teacher will determine whether the student will fail the:

1. Quiz, assignment, or test
2. The semester

Students caught cheating will be given hours of work and/or points as determined by administration.

SMART DEVICES AND ELECTRONICS

Smart devices or any of the functions/applications may not be used from bell to bell during class without teacher permission and may not be used in the auditorium during chapels or assemblies. If a student uses a smart device or any of its functions at inappropriate times, the student's device will be brought to the office by the teacher. The student must bring the device to the office at the beginning of the school day for the next five days. The student may pick up the phone after school. A minimum of one Breakfast Club and one discipline point will be assigned.

During exams, smart devices should be left in lockers, cars, or given to the teacher. Students with a smart device in their possession during exams will be sent out of the exam and given a zero on the exam.

Using smart devices and other personal entertainment devices during the school day, including study hall, without teacher permission may result in a Breakfast Club and/or discipline points.

Students may not take pictures or videos of other students or staff at school without their permission. Photos or videos taken at school without permission that are shared or posted online may result in loss of school privileges, social probation, or suspension up to expulsion.

LOCKERS

Students will be assigned a locker. Students may not change to another locker. Students should check their locker daily for messages from the school office or counselors.

Lockers are to be kept clean. They are inspected periodically with or without notice. Inappropriate locker decorations will result in an hour of work. Students who damage lockers will be charged.

Students may be suspended for entering another person's locker. Bags and other articles may not be left in the hallway. Only school locks, which are available from the office for a \$5 refundable fee, may be used. Use of a lock is highly encouraged. Theft from unlocked lockers is the student's responsibility. **DO NOT LEAVE UNLOCKED VALUABLES IN THE LOCKER ROOM.** Lock them up!

DISPLAY OF AFFECTION

Public display of affection is not appropriate.

DRUGS AND ALCOHOL

Students may not possess or use alcohol, illegal drugs, or drug paraphernalia. Students may not misuse prescription drugs. The penalty for these offenses will be suspension from school with readmission possible only after a meeting with parents and the Education Committee. An additional requirement for readmission may be an addiction assessment by a licensed counselor. Students shall not appear to be under the influence of alcohol or drugs. The penalty for this could include suspension.

Information regarding buying, supplying or selling drugs or alcohol will be reported to the parents. Students apprehended on campus or at a school-sponsored event for these activities will be reported to the police. These students will be recommended to the Education Committee for expulsion. Subsequent re-enrollment will be a board decision.

The school reserves the right to request that any student undergo an immediate drug/alcohol screening. This may include the use of a breathalyzer at events such as dances or prom. More information about drug testing is in the SCHS policy manual which is available from the office.

HALL BEHAVIOR

Misconduct in the hallways will be treated in a way that is consistent with expectations of general behavior in the school. Students will receive appropriate consequences for doing damage, leaving garbage, using inappropriate language, mistreating others, running, etc. A Breakfast Club or hours of work will be assigned for misbehavior.

PROPERTY DAMAGE AND UNLAWFUL ENTRY

Students and their parents are financially liable for damage to school property that was a result of vandalism. Any unlawful entry to the building or damage to the building may result in work hours, suspension, expulsion, and/or a call to the police. The school is considered closed at 10:00 p.m. unless there is a school-sponsored event.

SMOKING AND VAPING

Smoking, the possession of tobacco or devices that simulate smoking, or helping others who are smoking, will result in a minimum of \$10 fine, 2 hours of work, and 2 points for the 1st offense and a \$20 fine, 2 hours of work, and 2 points for the 2nd offense. An addiction assessment by a licensed counselor may also be required at the parents' expense.

WEAPONS

The possession of any explosive device or weapon, including but not limited to guns or knives, is not allowed in or around the school or at any school function. Any object used to threaten or otherwise create concern in the school community will be treated as if the object were a weapon. Violations of this rule will result in suspension and will be grounds for expulsion.

SUSPENSION FROM SCHOOL

Students may be suspended by the Principal or Assistant Principal for using alcohol, drugs, or mimic drugs; for uttering obscenities in any form; for deliberately abusing school property; for showing disrespect or disobedience to any school employee; for violently opposing authority; for promoting strife within the school; for fighting; for abusing fellow students; for degrading the name of the school; for stealing; for possession of a weapon or for neglecting to make up required hours or Breakfast Clubs.

Depending on the violation, a student will receive an in-school suspension or an out-of-school suspension. Suspensions may be from one day to two weeks. When a student receives a suspension, their parents will be notified.

A student who is assigned an in-school suspension will be assigned to a room in the school for the term of their suspension. They will receive assignments from the teachers and may not communicate with other students. Break and lunch time will be different from the regular time. Any non-compliance with in-school suspension rules will result in additional discipline.

The suspended student will receive a minimum of one hour of work or two Breakfast Clubs for each period suspended. The maximum number of points a student will receive for a suspension is five points.

EXPULSION

Expulsion is the exclusion of a student from school. Administrators will recommend expulsion to the school board for the student whose conduct and attitude is such that he/she should be expelled. This is not limited to students who reach 21 points.

GRIEVANCE PROCEDURE

Occasionally during the school year, misunderstanding or problems may arise between teacher and student, teacher and parent, or parent and school. This is often the result of a lack of communication between the two parties. Therefore, to deal with these problems, the following prescribed plan should be followed. Please note that steps one through four must be done within **48 hours (or two school days)** of the situation causing the grievance.

1. The student should bring all grievances (questions, problems, complaints) directly to the teacher outside of class time.
2. If the grievance is not cleared up at the above level, the student's parent should contact the teacher.
3. If it is not resolved by the parent, the student should make an appointment with the principal.
4. If it is still not resolved, the parent should address the issue to the Education Committee in a letter so that it can be addressed at the next monthly meeting.

POINT POLICY SYSTEM

The following point system will be used in determining the student's status at South Christian.

1. 6 points
 - a. The student will see the Assistant Principal and a letter will be sent to the parents.

3. 16 points
The student will attend a meeting with his/her parents, the administration, and the education committee of the board with possible placement on probation. The student is ineligible for KC/TC for the next full year.

TECHNOLOGY POLICY

Student use of technology at South Christian High School is a privilege. All technology usage must be in line with the spiritual and educational mission of the school.

South Christian High School provides students with access to the school's electronic communication systems and network for school-related and educational purposes. Students may use the systems for limited personal purposes with permission from a teacher or an administrator. Students may not use their personal computers to access the schools Intranet,

Internet, or any other CIS system unless approved by the Technology Director or an administrator. Students must use South Christian's systems and software responsibly and ethically. Information taken from the Internet must be used for legal purposes or for non-profit purposes only.

All resources, user accounts, and information are the property of South Christian High School. Users have no privacy expectation in their use of the system. The school reserves the right to monitor and track system activity.

Students should be aware that information shared by students on the Internet is public information and can be used by school personnel when it involves students' behaviors at school or at school events. Conflicts between students occurring at school as a result of online communication at home or at school are school business. If a student believes he or she has received an intimidating or harassing communication from another student, this communication should be reported to an administrator, counselor, or teacher.

Any student determined to have changed or deleted anything from a computer's hard drive, reconfigured a system, or changed settings, etc. may lose computer privileges, be suspended from school, and/or pay any fees necessary to restore or repair the computer. Copying software from the school computers is considered theft of school property. Students who damage or break a school computer including laptops, iPads, Chrome Books, etc., whether maliciously or accidentally, will be required to pay the costs to repair or replace the computer.

Students must sign the school's "Acceptable Use Guidelines" in order to use school's computers and to access the school's systems. Violation of these guidelines will result in the loss of privileges and possible disciplinary action under the school discipline code.
