

“But who am I, and who are my people, that we should be able to give as generously as this? Everything comes from you, and we have given you only what comes from your hand.”
1 Chronicles 29:14

FINDING THE REASON

God has blessed South Christian High School over the years with a generous community. Whether they be grandparents, former parents, alumni - new and old - they have given sacrificially to the Tuition Assistance Fund. Reading through the following testimonials, you will find very different reasons why they contribute. Each is written from a genuine place in their heart, and I am praying that one of them touches you.

~ Sandy Dobbs, Development Director

2013 ALUMNI

I wanted to give to the tuition assistance program due to the fact that my parents’ financial situation changed while I was at SCHS. I couldn’t imagine going to another high school midway and starting over. Thankfully, I was able to stay at SCHS, and it really prepared me for college and the future. I would not be who I am without South Christian. Giving to tuition assistance is my way of helping other students complete their education at South Christian.

1971 ALUMNI AND FORMER PARENT

When we read the Faith Reflection “God at Work” written by a SCHS senior in the Winter HiLites, we were again reminded that in all of life, going to God in prayer is always the best option. Through our gifts, we want to ensure young people have an opportunity to be in a Christian environment to draw closer to our Lord.

2010 ALUMNI

Someday I hope to have children. I am blessed with a good job, and I want to share my gifts, as well as affirm parents that they are seen and supported.

1971 ALUMNI AND FORMER PARENT

As parents of two graduates of SCHS, we support the SCHS tuition assistance fund because of the solid Christian education and environment it offers to families who desire that for their children. By contributing to SCHS tuition assistance, we want to help remove the financial barrier that some families encounter when desiring a Christian education for their children or continuing a Christian education for their children if the family encounters financial difficulties. We are thankful to have SCHS in our community, and we are blessed to support it in this way!

As you contemplate how you will bless SCHS students, please consider that gifts to Tuition Assistance enable some students to receive a Christ-centered education now, while gifts to the Foundation help ensure assistance in years to come.

Please consider promptly responding to this appeal. To assist us in raising the needed funds, we have partnered with J. Milito & Associates to make follow-up calls beginning in April on behalf of South Christian.
