

Vehicle Permit Form

2025-2026

The parking lot is the property of South Christian High School. Vehicle permits are FREE, and every vehicle parked in the SCHS lot must have a blue parking permit number affixed to the lower driver's side of the windshield.

Important Information:

- **Existing Permits:** If you already have a permit from the previous year on the same car for the same driver, you do not need a new one.
- **New Permits:** If you are a new driver or do not have a blue parking permit, complete and return this form to the office. A separate form is required for **each** vehicle that will be driven to school.
- **Replacement Permits:** If you change the vehicle that you are driving to school or your windshield needs to be replaced, you must stop by the office to obtain a replacement permit.
- **Additional Permits:** If you have more than one vehicle you will be driving to school, each car is required to have a permit.
- **Transfer Permits:** If a new driver is now driving a car with an existing permit, please stop by the office so we can update the name in our database in case of an emergency or incident.
- **Temporary Permits:** Available in the main office for vehicles that will be driven to school for less than one week.
- **Compliance:** Any student who drives recklessly, violates the guidelines in the student handbook, does not register their vehicle, or parks outside of the designated student parking lot (i.e. staff parking lot, grass, sidewalk) may be subject to a fine and/or discipline points.
