

*Thank you for considering the enrollment of your child at South Christian High School!  
We are proud of our Christ-centered education.*

A Christian Education is a major financial commitment. Below are some facts about our tuition system.

- The current annual tuition is \$805 per month (11 monthly payments, totaling \$8,850)\*
- Parents make their payments to FACTS Management Company and can choose from a variety of payment plans (One annual payment in August, Two payments in August and January, Quarterly payments in August, October, January and March or Monthly payments, August – June).
- Tuition must be paid in full each year before a child will be reenrolled for the following year.
- Parents must sign the enrollment form and choose a payment plan with FACTS before a child begins classes and agree to these terms:

*"I promise to pay the above tuition in accordance with the tuition schedule that I will indicate to FACTS. I understand that if I do not meet the above terms, the school may take one or more of the following steps: communicate with my church; withhold report cards, transcripts and diplomas; refuse to allow my student(s) to take exams, participate in extra-curricular activities, or attend SCHS; deny participation in graduation ceremonies; initiate legal action to collect tuition due. I understand that I must abide by the above tuition payment schedule unless I reach an alternate written agreement with the school's Finance Committee. I agree to reimburse the school for any actual attorney fees incurred as a result of my failure to pay tuition as due. **I agree that a fee of \$30 will be charged to my/our account for any payment made by me/us that is returned for insufficient funds.** I will make full payment of any prior years' tuition by August 1, 2019 unless I enter into an alternate written agreement with the school's Finance Committee. Until payment is made or an alternate written agreement is approved, enrollment is considered 'conditional,' **and any of the above-listed actions may be taken by the school if payment is not made.** **I/We understand that rules of the Michigan High School Athletic Association forbid student participation in or try out for a team sport unless formally enrolled. Coaches are not allowed to make exceptions.***

- If you are transferring in after a school year has started, a deposit equal to two months tuition must be received before your child can attend their first class.

We do realize that unfortunate circumstances may arise. In the event of a hardship, you will be required to follow these steps.

- You will be required to meet with the Finance Committee to discuss your situation and create an acceptable payment plan.
- If you qualify, there is financial assistance available. You must apply at <https://online.factsmgt.com/signin/3D23W> and will be required to submit your income tax returns.

Thank you for your interest in South Christian High School and for taking the time to look over our tuition policies. Please sign below to indicate your commitment to South Christian High School and the terms above. Return this form to Maelia Post with your enrollment application.
