What is SCRIP?

Scrip fundraising is a no-selling program that enables families to raise money for their tuition account. You may also elect to receive a cash rebate. Scrip is just another way to pay for everyday purchases using gift cards in place of cash, checks, and credit cards. You purchase gift cards from us at face value, and we buy them from our supplier and retailers at a reduced price. The difference is an instant rebate for your tuition. It's really that simple!

Our supplier, Great Lakes Scrip Center offers over 300 of the country's biggest brands, including grocery, department stores, gas stations, restaurants, hotels, home improvement, and more. Just by using scrip to pay for your normal weekly purchases, you can easily raise \$500 or more per year. It's time to put your shopping dollars to work!

How do I order?

We have two ways in which you can order.

1. Traditional paper order forms, available in the main office. Your order form, along with check or cash is due to the office each Monday morning no later than 9:00 a.m. Your order will be ready for pickup any time after 7:00 a.m. on Thursday of the same week. **There are some local retailers available on our paper forms that aren't available for online ordering.** Pay attention to the order calendar for weeks in which there will be no order placed. If we happen to have a snow day on a Monday, we will not do an order that week at all.
2. Online ordering, www.shopwithscrip.com. You may utilize this tool at any time, day or night. Orders still must be in by Monday morning no later than 9:00 a.m. to receive them by Thursday of the same week. If we don't have an order because of a planned or unplanned school closure, your order will not be processed until the next order.

Types of Scrip

Physical Cards are normal gift cards just like you'd get at the store. When you place an order for physical cards we will include them in the next Monday morning order and you can pick them up on Thursday mornings.

ScripNow eCards are electronic gift cards available for order on ShopWithScrip.com. The eCard will be delivered right to your ShopWithScrip account. You can print it out on your home computer and use it in stores just like a physical gift card, or you can use it for online shopping by entering the card number and PIN at the checkout page.

Reload and ReloadNow are timesaving options that allow you to add funds to physical gift cards that you've already purchased through ShopWithScrip. Here are a few guidelines to remember when reloading gift cards:

- The first time you Reload a card, register it by entering the card number. Name your card for future Reload orders.
- When Reload orders are placed and paid for before 3:30 pm EST, Monday through Friday, the funds will be added to your card overnight.
- When ReloadNow orders are placed using PrestoPay, funds will be added to your card in minutes, 24 hours a day/7 days a week.

How do I Pay?

If you order with a paper order form you must include a check or cash. If you are ordering either physical cards or eCards you can also pay with a check, although it only delays processing and it isn't recommended. Instead, click the PrestoPay link under Family Functions on your Dashboard. PrestoPay is a secure direct transfer via electronic debit from a checking or savings account. You must agree to their terms and enter your banking information. Your PrestoPay account will need to be verified. They will place two small deposits into your account, the amounts of which you must enter in the PrestoPay window. Once verified, your account will be enabled for PrestoPay and you can begin purchasing instant cards.

Using your Wallet

Your wallet, accessible from the Dashboard by clicking View ScripNow, contains all your ScripNow eCards and information on registered reloadable cards.

You can also use the mobile app, RaiseRight This is much easier to use on your phone than the website. If you used the previous app MyScripWallet, your gift cards will transfer to this new app when you login with your shopwithscrip account information. This will allow you access to all eCards you've purchase, no matter where you go. Using PrestoPay, you can purchase or reload while heading to the checkout lines and have the bar code available for the cashier to scan within minutes.

How Do I Sign Up?

You must complete an enrollment form whether you intend to order with the paper form or online. You can pick one up in the main office or find it on our website. There is a one-time \$5 sign-up fee that should accompany your enrollment form.

Helpful Hints

- PrestoPay is the way to go! The ability to instantly purchase certificates increases your earning potential and reduces the need to plan ahead.
- If you choose not to use Presto Pay remember that we only process orders on Mondays at 9:00 a.m. and your check must be received by that time in order for your order to complete. Anything you order after that deadline won't be released for order until our next regularly schedule order.
- Some retailers only offer physical cards. Not all retailers are available for instant purchases at this time. You can easily check the options available for each retailer at ShopWithScrip.com.
- ShopWithScrip.com offers great user manuals and information under their 'Learn' tab.
- There are far more certificates available to purchase than are listed on our Monday morning order form. Take a moment to look at all the travel certificates online. You can use the search feature or print a complete list. If it's on the website, we can order it!
