

South Christian High School Service Hours

Why do we serve?

Jesus was the greatest servant of all. His life was marked by service and his death was in service to others, even his enemies. As a Christian school, we want to help encourage you to follow Jesus by living like him through loving and selfless acts of service to your neighbors. By doing this, our hope is that you will continue to become more like Jesus and serve your neighbor from a heart of love and gratitude.

Reminders

- You must complete 5 service hours in each of your freshman, sophomore, and junior years for a total of 15 service hours.
- Service hours are a requirement for graduation.
- You may not be paid for your work, and Sailor Serve/Serve Day hours do not count.

Name _____ Grade _____

Where did you serve? _____

What did you do?
