

Vehicle Permit Form

2019-2020

- Every vehicle parked in the SCHS lot must have a blue parking permit number affixed to the lower driver's side of the windshield. If you already have one from the previous year on the same car for the same driver, you do not need a new one. If the same car was passed on to a new driver, please stop by the office so we can update our database in case of emergency or incident.
- If you do not already have a blue parking permit, complete and return this form to the office. Complete a separate form for each vehicle that will be driven to school.
- Failure to display a parking permit will result in a breakfast club and 1 point.
- Temporary permits are available in the main office for vehicles that will be driven to school for less than one week.
